

## Acceptable Use Policy Presentation

Today, you will conduct research on the acceptable use of Internet, email, and personal cell phones in the work place. You will find out the current policies of different businesses and then craft an acceptable use policy for your school, Lafayette High School. Slides to include in this presentation are as follows:

1. Title Slide
  - a. Include your name on this slide.
  - b. Give your presentation an appropriate title.
2. Sample Internet Usage Policy
  - a. Summarize the Internet Usage policy of at least one business
  - b. Search the Internet for this information—don't use it if you cannot cite an Internet source for your information.
3. Sample Email Policy
  - a. Summarize the Email policy of at least one business
  - b. Search the Internet for this information—don't use it if you cannot cite an Internet source for your information.
4. Sample Personal Cell Phone Policy
  - a. Summarize the Personal Cell Phone policy of at least one business
  - b. Search the Internet for this information—don't use it if you cannot cite an Internet source for your information.
5. LHS Internet Usage Policy Acceptable Uses
  - a. Create your own list of acceptable uses of the Internet for students at Lafayette High School.
  - b. This is your opinion, you get to create the policy.
6. LHS Internet Usage Policy Unacceptable Uses
  - a. Create your own list of unacceptable uses of the Internet for students at Lafayette High School.
  - b. This is your opinion, you get to create the policy.
7. LHS Email Usage Policy Acceptable Uses
  - a. Create your own list of acceptable uses of email for students at Lafayette High School.
  - b. This is your opinion, you get to create the policy.
8. LHS Email Usage Policy Unacceptable Uses
  - a. Create your own list of unacceptable uses of email for students of Lafayette High School.
  - b. This is your opinion, you get to create the policy.
9. LHS Personal Cell Phone Policy Acceptable Uses
  - a. Create your own list of acceptable uses of personal cell phones for students of Lafayette High School.
  - b. This is your opinion, you get to create the policy.
  - c. You may want to include acceptable times for students to use their phones.
10. LHS Personal Cell Phone Policy Unacceptable Uses
  - a. Create your own list of unacceptable uses of personal cell phones for students of Lafayette High School.
  - b. This is your opinion, you get to create the policy.
  - c. You may want to include unacceptable times for students to use their phones.

## 11. Sources

- a. Cite your sources here.
- b. Include hyperlinks to any website that you used for information.

### Other requirements:

- Include at least one graphic image on each slide.
- Do not copy and paste any information.
- Each correct slide with image is worth 5 points (55 points total). Giving your presentation to the class is worth 20 points for a total of 75 points.

When complete, upload your file to Canvas. If you work with a partner, please have both partners upload the file to Canvas.
