

Career Presentation

Today you will research a career that interests you most. Research careers on the following website: <http://www.bls.gov/ooh/>. Do not choose the same career that someone sitting next to you has chosen. Please include the following slides on your presentations:

- Title slide-name and topic
- Career Description-describe the career here
 - Include the full bulleted list of the job duties for this job
 - It is okay to copy this from the website.
- Education/Training-List education and training required for the job
- Important Qualities
 - List the important qualities for this job.
 - It is okay to copy this from the website.
- Salary-average salary for the job
 - List the median salary for this job here.
- Future Outlook- future outlook for the job
 - List the projected growth from 2014-2024 here
