

Foreign Currency Report

Today you will report on a foreign currency (outside of the United States). Create a PowerPoint presentation which will be given to the class. Include the following slides:

1. Title Slide
 - a. Include the name of your group members
 - b. Include the name of your foreign currency
 - c. Include the name of your foreign country
2. Paper currency picture slide
 - a. Include pictures of the paper currency of your foreign country.
 - b. Find information about the illustrations on the paper money and list it here.
 - i. Identify the people, places, or things found on the currency.
3. Coin currency picture slide
 - a. Include pictures of the paper currency of your foreign country.
 - b. Find information about the illustrations on the coin currency and list it here.
 - i. Identify the people, places or things found on the currency.
4. Exchange rate slide
 - a. Compare your foreign currency to the U.S. dollar
 - b. Use the Google search term, “currency exchange rates.”
 - c. List how the value of your currency compares to that of the U.S. dollar.
5. Recommendation slide
 - a. Recommend to your classmates if they should invest in your foreign currency.
 - b. Address the following factors:
 - i. Value vs. U.S. dollar
 - ii. Stability of your country’s economy
 - iii. Stability of your country’s government

This assignment will count as a formative assessment. Each correct slide will be worth 10 points and giving your presentation to the class will count for another 25 points for a total of 75 points. You are allowed to work with 1 partner, but both partners are required to submit the file to Canvas.
