

Great Depression Report

Today you will report on the Great Depression in a PowerPoint presentation. You will not be required to give this report to the class. Everyone must work individually. Please include the following slides on your presentation:

1. Overview of the Great Depression
 - a. When did it start?
 - b. When did it end?
 - c. Brief description of what it was.
2. Causes of the Great Depression
 - a. List several causes of the Great Depression
3. Recovery from the Great Depression
 - a. List several reasons why recovery from the Great Depression happened
4. The Great Depression outside of the United States
 - a. Explain how the Great Depression affected other countries outside of the United States
5. Your opinion
 - a. Do you think we could suffer from another Great Depression today?
 - b. Explain your answer fully.

This is a 50 point assignment (10 points per accurate slide). When you have finished this assignment, please save it and upload it to Canvas. You will not present this to class, unless you would like to earn bonus points. Thank you.
