

Non-Profit Organizations

Today, you and one partner will research a non-profit organization. Use the website <http://www.charitynavigator.org> and the website for your chosen organization. ***Use only organizations that are rated on this site and have all of the financial information that is requested below.*** You will present your findings to the class in the form of a PowerPoint presentation. Your presentation should include the following slides in this order:

1. Name of Non-Profit Organization
2. Location
3. Mission Statement
4. Who/What does it serve?
 - a. Please tell exactly what your non-profit does.
5. Fundraising
 - a. Name and describe at least one of the ways your organization raises funds.
6. Where the Money Goes
 - a. Record the % for the following information for your Non-Profit Organization on this slide:
 - i. Program Expenses
 - ii. Administrative Expenses
 - iii. Fundraising Expenses
 - iv. Fundraising Efficiency (\$ amount)
7. Tips for starting a non-profit organization.
 - a. Please research tips for starting a non-profit organization (not on this website).

When you finish, please post this assignment to Canvas with your name and your partners name on the presentation. If you cannot find the minimum information for your non-profit organization, please use a different organization.
